THE PERSONAL TOUCH (AND WHY IT MATTERS)

As a team with decades of experience in the private rental sector, we know what clients typically look for in a real estate specialist. Accountability, transparency, reliability and professionalism – those are all givens.

AS A SMALL, TIGHT-KNIT GROUP, WE:

- Know all our clients personally
- Understand their individual needs
- Deliver thoughtful, bespoke support
- Work quickly and efficiently
- Maintain excellent communications

But we also know that every customer is different. Different in terms of goals, timescales, budgets and strategies. That's why the personal touch matters, and why, when you're looking for a partner in property, 'bigger' doesn't always mean 'better.'

OUR TEAM: WHOLLY COMMITTED TO YOUR SUCCESS

DARREN BENNETT CO-FOUNDER AND MANAGING DIRECTOR

Darren co-founded the business with Omar and is our ultimate leader. He's been supporting international clients in the UK real estate market since 2012. He's worked with a host of developers, landlords and investment agencies, and this experience has given him an excellent, all-round understanding of how to achieve success with property.

He and Omar formed the business resolving to offer clients something new and different: better opportunities in the market, greater accountability and responsiveness, and ready access to genuine, honest advice.

OMAR AL MUTAWA CO-FOUNDER

Omar, our other co-founder, brings significant experience to the company. He has spent well over two decades working in the financial and real estate sectors, and he's a chairman and board member of several companies across the Middle East. But like all of us here at Fortem, he's about more than just business. He's been instrumental in providing and organising volunteer work throughout Kuwait and delivering academic training at the Arab Open University.

MELANIE KYRIACOU HEAD OF PROPERTY MANAGEMENT

Melanie was one of the first to join our company and has worked her way steadily up the ranks. She started as a property manager, in which role she provided round-the-clock support for our clients and their tenants. Since then, she has become an invaluable team player and, in 2022, she was promoted to her current position, having proven her talent for management. Melanie is the first and last point of contact for all our landlords, and she's vital to the growth and day-to-day running of the business. Always committed to delivering excellent customer service, Melanie strives to help us to do better and to give more.

CHARLIE BLURTON HEAD OF LETTINGS AND PORTFOLIO MANAGEMENT – SURREY

Charlie has spent the majority of his career working in the Prime Central London property market. With a wealth of experience and enthusiasm he has a proven strong track record in providing the best results for his clients. Charlie provides in-depth consultative advice at all stages of the lettings process, allowing for seamless transactions from beginning to end. His NFOPP qualifications in "Residential Lettings and Property Management" and membership to the ARLA Propertymark professional body, suitably set an excellent foundation to working within the Lettings industry.

MARIANA MAETRY PROPERTY MANAGER

Mariana joined the team in May 2022.

With over 3 years experience in working with luxury residential property, Mariana brings great experience to the team.

Well organised and a meticulous attention to details which is demonstrated by her ability to manage a multitude of complex tenancies, priorities and to meet tight deadlines.

AMELIA NICHOLLS PERSONAL ASSISTANT

Amelia joined us in March 2022, by which time she had gained over 10 years of experience in the real estate sector. She has particular expertise in business support activities and is used to working with clients and colleagues at a senior level. Her principal roles are to assist the directors and to provide support across all the company's administrative and managerial activities. She adds vital capacity to the business, and is keen to help Fortem to prosper and grow.
